

Trade Name: PADALINON

Chemical Name: Isothiazoline

Batch No.: SAMPLE

Production Date: -

Weight: SAMPLE

Best Before: One year after production

| Specification | Standard |
|--------------------|-------------------------|
| Appearance | Colorless yellow liquid |
| RF (20C) | [1.3730 - 1.3810] |
| DENSITY (20C) g/ml | [1.170 - 1.230] |
| DENSITY (25C) g/ml | [1.166 - 1.226] |
| PH | [1.5 - 3.0] |
| pH(25C) | [1.5 - 3.0] |
| MIT% | [0.35 - 0.45] |
| CIT% | [1.08 - 1.2] |
| WATER CONTENT% | [73.000 - 77.000] |
| Mg-nitrate% | [21.0 - 25.0] |

LAB Manager
Saied Sherizadeh

Attention: Please receive all the products along with the sealed labels and make sure to pay attention to the conditions of storing the products on the labels and the analytical sheets. Please inform Padideh Shimi Gharb within 7 days after the delivery in case the products are not compatible with the analyses.
