

Date: .....

Customer: .....**SAMPLE**.....

**Trade Name:** PADAPON TE-230

**Chemical Name:** TRIETHANOLAMINE LAURYL ETHER SULFATE 30%

**Batch No.:** SAMPLE

**Production Date:** -

**Weight:** SAMPLE

**Best Before:** Six months after production

| Specification              | Standard                   | ISIRI NO     |
|----------------------------|----------------------------|--------------|
| Molecular Weight (g/mol)   | 514                        | ISIRI 5476   |
| Free Oil%                  | Max 2.5                    | ISIRI 6835-a |
| Active Matter%             | [29-31]                    | ISIRI 3178   |
| Color (Hazen 10%(w/w))     | Max 30                     | ISIRI 3513-a |
| Tri Ethanol Amine sulfate% | Max 1.0                    | ISIRI 3513   |
| pH (10%(w/w))              | [4.0 – 7.0]                | ISIRI 6835   |
| Appearance                 | Golden Yellow Clear Liquid | Visual       |
| NaCl %                     | Max 1.0                    | ISIRI 6835   |
| Fe (ppm)                   | Max 20                     | ISIRI 6835   |
| Formaldehyde (ppm)         | Max 250                    | ISIRI 6835   |
| Heavy metals (ppm)         | Max 20                     | ISIRI 6835   |
| Free Amine %               | Max 3.0                    | ISIRI 17823  |
